Academy Team has been operating since 2007 at temporary locations. Academy's Full-Time Hifdh and Language Of The Quran Programs are the most prominent in the community. Acquiring a suitable location is a part of this project to secure and expand the Academy as this is a dire need of our community in general.

With the blessing of Allah, Academy has found a suitable place in Mississauga to facilitate the current and future programs and services. New facility covers about 7600 sq. ft. of space and costs 1.5 Million that needs to be raised by April 30, 2017.
